

2016 Request for Application (RFA) Grantees

“Improving Retention in Care and Access to Treatment for Blacks/ African-Americans Living with HIV”

AIDS Action Coalition of Huntsville (AL)

PROJECT: Healthy Start

AIDS Action Coalition (Thrive Alabama) is committed to ending the AIDS epidemic by preventing new HIV infections and providing comprehensive care to those living with the disease.

AIDS Service Center of Austin (TX)

PROJECT: Rising Star University

AIDS Service Center of Austin’s mission is to enhance the health and well-being of the community and people affected by HIV and AIDS. The Women Rising Project (WRP) is a program for women with HIV and AIDS in Central Texas. The Project is dedicated to strengthening HIV-positive women through programs and activities that provide HIV education, connection, support, advocacy, and leadership opportunities.

AIDS Services Coalition (Hattiesburg, MS)

PROJECT: Positive Living

ASC is a not for profit organization whose mission is to provide services and support to those persons living with and affected by HIV/AIDS.

Brotherhood, Inc. (New Orleans, LA)

PROJECT: Empower NOLA

The mission of Brotherhood, Incorporated is to develop and implement programs and services that impact the economic, social, and health disparities that exist within underserved and at risk communities through education, enlightenment and empowerment.

Community Health Interventions (Fayetteville, NC)

PROJECT: Safe Spaces Ambassador Program

Community Health Interventions and Sickle Cell Agency, Inc., is dedicated to addressing various health related challenges that significantly affect our community's health and wellness. In conjunction with our health and human service initiatives, CHI provides education, prevention, and implement & support documented best practices for interventions, services, and treatment in an effort to eliminate health disparities.

Comprehensive AIDS Resource Encounter, Inc. (Jesup, GA)

PROJECT: Project IRIS

CARE, Inc. is a nonprofit HIV/AIDS Community Based Organization of trained staff and volunteers who respond to the HIV/AIDS epidemic with prevention services, support services, and housing assistance to those that are infected with/affected by HIV/AIDS.

Jacksonville Area Sexual Minority Youth Network, Inc. (Jacksonville, FL)

PROJECT: #AIDSFreeJax Linkage to Care Program

JASMYN supports and empowers LGBTQ young people by creating safe space, providing health and wholeness services, and offering youth development opportunities, while bringing people and resources together to promote equality and human rights.

The Open Door, Inc. (Pittsburgh, PA)

PROJECT: Representing the Solution for Optimal Health Outcomes and Housing Stability

Building from a harm reduction model, The Open Door, Inc. provides supportive housing and related services to improve the health of the forgotten population of high-risk, chronically homeless people living with HIV.

Rain, Inc. (Charlotte, NC)

PROJECT: Improving Retention in Care and Access to Treatment

RAIN ensures access to quality, personalized care in a nurturing environment for individuals and their families who are living with HIV and associated chronic conditions so they may live healthier fulfilled lives. Through education and advocacy, RAIN promotes disease prevention, understanding and dignity for those affected by HIV and for those who are at risk.

The Women's Collective (Washington, DC)
PROJECT: Enhancements to Community Health Worker Program

The Women's Collective meets the needs of low income women, girls and families living with/or at risk for HIV/AIDS and other STDs by addressing the social determinants of health and health disparities they face, reducing barriers to care and services, strengthening networks of support in order to improve health outcomes and quality of life over their lifespan.
